Re: Patent # 7,043,764, Application # 10/668,192

On May 12, a check for \$555.00 was sent to United States Patent and Trademark Office, PO Box 371611, Pittsburgh, PA as payment in full for the Maintenance Fee that was due. The unopened envelope was returned to me stamped "RETURN TO SENDER NO LONGER AT THIS BOX NUMBER".

I got the address that I used from the "UNITED STATES PATENT AND TRADEMARK OFFICE, INFORMATION CONTACTS" directory.

I mailed a check for the correct amount within the required time limit as can be verified by the postmark date of, May 12, 2010 stamped on the envelope. I am hoping that there is some way I can keep my patent alive and not be penalized for this mishap since I thought I did all of the right things within the correct amount of time.

After speaking to a very helpful person in the Office of Petition I was advised to send this petition.

Thank you for your consideration and help in this matter.

Yours Truly,

Asher Sky

Special Mail Stops for Patent Mail

For most correspondence (e.g., new patent applications) no mail stop is required because processing of the correspondence is routine.

If **NO** mail stop is included on the list below, **NO** mail stop is required for the correspondence.

See the listing under "See **Special Stops Applicable to Both Patent and Trademark Mail**" for additional mail stops for patent-related correspondence. Only the specified type of document should be placed in an envelope addressed to one of these special mail stops. If any documents other than the specified type identified for each special mail stop are addressed to that mail stop, they will be significantly delayed in reaching the appropriate area for which they are intended. The mail stop should generally appear as the first line in the address.

Some correspondence may be submitted electronically. See additional information at www.uspto.gov. See also www.uspto.gov/web/offices/com/sol/og/patboxs.htm.

Mail delivered by the **United States Postal Service (USPS)** should be addressed to:

Mail Stop _____
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

If no Mail Stop is indicated below, the line beginning Mail Stop should be omitted from the address.

Except for correspondence for **Maintenance Fee Payments**, **Deposit Account Replenishments** (see 1.25(c)(4)), and **Licensing and Review** (see 37 CFR 5.1(c) and 5.2(c)), correspondence delivered by **other delivery services** (Federal Express (Fed Ex), UPS, DHL, Laser, Action, Purolater, etc.) should be addressed to:

(57) ABSTRACT

A combined container and garment protection device includes a support section with an open portion, and a container section including a pocket to receive and retain items placed within the pocket. The support section is adapted to support the device about the neck of a user. The support section is releasably engageable with the container section to form a handle to facilitate transport of the device prior to being supported about the neck of the user.
